- Work Value Systems of Young Workers.* RONALD N. TAYLOR and MARK THOMPSON. 4:522

Erratum

In Volume 19, Number 2 (June 1976), in the article "Boundary Conditions for Expectancy Theory Predictions of Work Motivation and Job Performance" by Richard E. Kopelman and Paul H. Thompson, there is a typographical error in the formula in the middle of the last paragraph on page 249. The formula should have read:

$$r_{43} = \frac{r_{41} + r_{42} \sigma_2 / \sigma_1}{\sqrt{1 + (\sigma_2 / \sigma_1)^2 + 2r_{12} (\sigma_2 / \sigma_1)}}$$
